Mission

The Pregnancy Clinic is a faith-based, medical non-profit, serving those facing pregnancy-related and sexual health issues by offering physical, emotional and spiritual support, and empowering them to make healthy and life-affirming decisions.

About Us

Established in 1982 as a 501(c)(3), non-profit organization, the Pregnancy Clinic has served nearly 22,500 women by providing them with prevention, intervention and reconciliation services. Our Medical Clinic operates under the supervision of a Medical Director who is a licensed obstetrician. Our Registered Nurses and Physician Assistants are licensed and follow standards set by OSHA, the Association of Women's Health, Obstetric and Neonatal Nurses, and the American College of Obstetric and Gynecology.
