"I've had an abortion before, but if I would have come here first and saw the baby and heard the heartbeat I would have made a different decision."

— Sarah, abortion vulnerable client who chose to carry

2011 Pregnancy Clinic Annual Report

1335 total clients seen in both offices for...

Pregnancy Tests • 3D/4D Ultrasounds for Pregnancy Viability • Education on Abortion, Adoption, and Fetal Development • Abortion & Adoption • STI & HIV Testing and Education/STI Treatment Prenatal Vitamins • Medical, Legal, Housing, Counseling, Adoption & Community Resource Referrals Parenting Support & Material Assistance • Educational LifeSense Classes • Post-abortion Counseling Abstinence until Marriage Workshops • Healthy Sexuality Counseling Speakers, Workshops, & Educational Presentations for Schools, Churches, Health Fairs & Community Events

of the 1194 clients who received pregnancy tests, 72% were positive due to strategic advertising, the percentage of those women who tested positive and were at risk for abortion was 63%

538 ultrasounds were performed so that each of those women had the opportunity to see the beauty of life within them...

which resulted in 310 women who changed their minds and carried to term

*We are unable to get in touch with some clients and therefore cannot be considered in our changed minds number, but know that do choose life and sometimes even years later, they bring their precious babies into the clinic.

*"Seeing my baby helped me realized that God makes no mistakes."
— Melinda, undecided client who chose to carry*

13,317 Client Services

In both offices combined, the Pregnancy Clinic provided 13,317 services to clients, their partners and families, individuals seeking assistance, and the community.

Mission

The Pregnancy Clinic is a faith-based, medical non-profit, serving those facing pregnancy-related and sexual health issues by offering physical, emotional and spiritual support, and empowering them to make healthy and life-affirming decisions.

About Us

Established in 1982 as a 501(c)(3), non-profit organization, the Pregnancy Clinic has served more than 23,000 women by providing them with prevention, intervention and reconciliation services. Our Medical Clinic operates under the supervision of a Medical Director who is a licensed obstetrician. Our Registered Nurses and Physician Assistants are licensed and follow standards set by OSHA, the Association of Women's Health, Obstetric and Neonatal Nurses, and the American College of Obstetric and Gynecology.

Pictured here is MaKayla Faith, who you may remember from our last Annual Report. Then, we were celebrating her birth after her mother chose life. Now, a year later, we celebrate that she and her mother returned with donations to bless others facing similar situations!
