

The Pregnancy Clinic Ministry is pleased to offer this informative workshop and discussion about God's design for women's health.

Designed for women pre-teen and older, and presented by our medical staff, topics include your roller coaster hormones, how your menstrual cycle works, how your reproductive system functions and much, much more.

Knowing Your Body can be presented to your group at your location or at a Pregnancy Clinic Office.

For more information, contact Angela Murray 410-431-5000 or angela@pregnancyclinic.org
