

2020 Annual Report

REACHING into the community - GIVING hope & SAVING lives.

Throughout the unique challenges of 2020, the Pregnancy Clinic Ministry kept our doors open. We continued to serve hundreds of women with love, truth, and the hope of Jesus Christ and His Gospel.

With the use of an online platform, all LifeSense Education classes continued to meet during the year, including a record number of students registering for our 'Your Spiritual Self' class to hear about the Gospel.

“ Thank you for having the Your Spiritual Self class... I definitely want my baby to grow up learning and knowing about God and His word.” ~Heather, 'Your Spiritual Self' student

“ I just want to thank you all for having these classes available during this pandemic. It's really helpful and I feel encouraged during every class to keep learning more and as much as possible before my baby is born. It helps me feel more prepared to be the best mom I can be for my baby.”
~Kelly, LifeSense student

“ This class taught me how to talk lovingly and tenderly and connect with women who are pregnant and considering abortion. I have been unsure of how to talk to people but the training taught me great, genuine communication skills.” ~Nadia, Abortion Discussion Training high-school attendee

BabyAid+

250 moms & babies helped

Many local families experienced financial difficulties in 2020. In response, we created BabyAid+ to supplement our existing material assistance program and provide additional diapers, wipes, etc. directly to families in need.

formula

“ I am so thankful that you can help us. I'm trying to care for my friend's baby and running out of money. Thank you.”
~Mia, BabyAid+ recipient.

218
babies rescued

218 clients have confirmed that they changed their minds from abortion and chose life with the support of their counselor, the hope of the Gospel, and the truth of an ultrasound.

+ 3 babies born after successful Abortion Pill Reversal* through the Pregnancy Clinic.

“ I was worried about so many things...how could we afford a third child? What about finishing my degree? The PC staff was so empathetic and understanding, and helped us talk through our issues. After hearing the heartbeat on the ultrasound, we knew we were going to keep our baby.” ~Angie, Pregnancy Clinic client.

ABOUT US: Established in 1982 as a 501(c)(3) nonprofit organization, the Pregnancy Clinic has served 35,000 women by providing them with prevention, intervention, and reconciliation services. Our Medical Clinic operates under the supervision of a Medical Director who is a licensed OB/GYN. Our RNs, Nurse Practitioners, and Physician Assistants are licensed in Maryland. More than 70 volunteers serve in a variety of capacities, including trained Counselors, LifeSense Education instructors, Men's Ministry volunteers, Board of Directors, and Advisory Board Members. We do not accept any government funding; rather, we invite individuals, churches, businesses, and foundations to partner with us in this important work. For a complete list of staff, board of directors, advisory board, and medical team, visit www.helphopeandhealing.org.
